SUMMARY

As a Student of Computer Science and engineering(Data Science) With a strong passion for technology and a specific interest in the field of data science(Machine Learning) , I am eager to contribute my skills and knowledge to advance the realm of my field.

INTERNSHIP

Data Analysis and Machine Learning internship

Pantech Solutions

September 2024 – Present

Machine Learning Internship

YBI Foundation

July 2024 – August 2024

- Developed multiple machine learning models using linear and logistic regression to analyze large datasets.
- Developed and deployed machine learning models to predict customer behaviors, increasing retention rates by 25%, using technologies such as Python and scikit-learn over a two-year period.

PROJECTS

Price Prediction Using Logistic Regression

- Developed and implemented a price prediction model using logistic regression, achieving an accuracy rate of 85% by leveraging Python libraries such as Pandas, NumPy, and scikit-learn, and analyzing historical pricing data over a 12-month period.

Plant leaf Iris detection using DECISION TREE

May 2024 – May 2024

- Developed a decision tree algorithm for plant leaf Iris detection, achieving an accuracy rate of 92% by utilizing Python and Scikit-learn, leading to enhanced predictive analysis in botanical research.

EDUCATION

Bachelor of technology in CSE(Data Science)

Dr. Babasaheb Ambedkar Technological University • Lonere, Maharashtra • 2026 • CGPA-6.97

HSC | 2022

N.D Marathe School and JR. Collage • 84.40

SSC | 2020

83.20

COURSEWORK

Google Advanced Data Analytics Professional Certificate

Coursera • 2024 • Data Analysis ,Python Programming, Machine Learning ,Statistical Analysis ,Tableau Software, Data Visualization

Data Structures Algorithm DSA | Python+ Javascript LEETCODE

Udemy • 2024 • Common Data Structures

SKILLS

Languages: Python, SQL, C ,Html, CSS

Software: Excel, Power BI, Tableau

Field of Interest: Machine Learning , Data Analysis

Libraries(Pandas, Numpy, Sklearn , OpenCV, Matplotlib)

Tools(SQL-Server , PowerBI, Excel ,Tableau)
