SUMMARY

As a Student of Computer Science and engineering (Data Science) With a strong passion for technology and a specific interest in the field of Web Development, I am eager to contribute my skills and knowledge to becomes advance in my field.

EDUCATION

Bachelor of Technology in CSE (Data Science)	2022 – 2026
R. C. Patel Institute of Technology, Shirpur, Maharashtra	
HSC 2022	73.83%
M. H. S. S Jr College, Shindkheda	
SSC 2020	84.60%
M. H. S. S High School, Shindkheda	

SKILLS

Languages: JavaScript, Python(Basics)

Web Technologies: HTML, CSS, React.js

Frameworks: Bootstrap, Tailwind

PROJECTS

- | | |
|--|-----------|
| Airbnb-like Platform (<i>EJS, Node.js, Express.js, MongoDB</i>) | June-2025 |
| <ul style="list-style-type: none">Developed a property rental platform inspired by Airbnb, enabling users to list and browse, accommodations.Implemented user authentication and authorization using secure password hashing and session management.Designed dynamic EJS templates for interactive user interfaces.Integrated CRUD functionality for property listings with image uploads.Structured backend with Express.js and RESTful routes for scalability and maintainability. | |
| Weather App (<i>HTML, CSS, JavaScript, Bootstrap, API</i>) | May-2024 |
| <ul style="list-style-type: none">Developed using OpenWeather API which provides real time weather of any location.Showing the real time weather of any location by entering the location name.Which is having user friendly and attractive User Interface. | |
| Medical Insurance Cost Prediction (<i>HTML, CSS, JavaScript, Python, ML</i>) | June-2024 |
| <ul style="list-style-type: none">Predicts the cost of medical insurance using specific inputs such as BMI, weight etc.Using linear regression of machine learning it is implemented.Having a user friendly interface which attracts the user.Predicts only the cost on the basis of inputs, no monthly or weekly | |

EXTRA ACTIVITIES

- Participated in a Smart India Hackathon 2024
- Participated in Converges`24
 - Code Craze (24 Hour College Level Hackathon)
 - Stranger Code (Coding Competition)
